

REDMOND™

10 FINE™

PREMIUM MINERAL SALT

*With Added
Garlic*

NATURAL PEST PREVENTION

Reduces biting pests while providing the delicious sea minerals your animals love

WON'T LOSE EFFICACY

Livestock don't develop a resistance to garlic like they do with synthetic pest products

BOOST PRODUCTION & SAVE \$

Reducing biting pests improves the health and production of your herd and reduces vet costs

BIO-IDENTICAL GARLIC OIL

12x more potent, highly bio-available, and longer shelf life than other forms of garlic

INGREDIENTS

Unrefined mineral sea salt, bio-identical garlic oil

PRODUCT PAIRINGS

We recommend combining 10 Fine with Garlic with Redmond Conditioner to take your mineral program to the next level

- 2-3 parts mineral salts
- 1 part Conditioner

TESTIMONIALS

“ The cows that eat it works wonderfully, definitely can tell who eats it and who doesn't. Goats seem to like it too as well as a few chickens. -Melissa M.

In just a manner of days I have been able to see a noticeable change in the amount of insects around the livestock. It is doing as promised. Very happy with their product.
-James H.

I've only had them on it for a week and I've already noticed a big improvement on flies for my sheep. They've essentially disappeared already! Very pleased
-Jourdan ”

FREQUENTLY ASKED QUESTIONS

HOW LONG UNTIL I SEE FLY REDUCTION?

It varies by animal, consumption rate, and environment but you can expect fewer flies in about 2-3 weeks.

WILL IT TAINT MILK OR MEAT FLAVOR?

We get this question all of the time. No, we have never had anyone complain about a garlicky flavor in any animal that consumes 10 Fine with Garlic. Garlic compounds are metabolized through the skin and breath, directing the pest repelling power to their faces and hide, not to milk or muscle stores.

RECOMMENDED FEEDING RATES:

dairy cattle
grain fed beef cattle

4 oz. per head per day
and/or free choice

beef cattle

2-4 oz. per head per day
and/or free choice

smaller cattle

add salt in proportion to
body size or free choice

sheep + goats

.25 - .50 oz per head per
day or free choice

swine

.5% of total feed

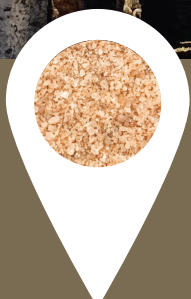

poultry

.5% of total feed

Happy, fly free cows that have been enjoying 10 Fine with Garlic!

Miserable, fly plagued new member of the herd that hasn't had a chance to eat 10 Fine with Garlic yet
