INGREDIENTS

Unrefined mineral sea salt, calcite, monocalcium phosphate, sodium selenite, zinc oxide, zinc sulfate, manganous oxide, manganous sulfate, copper sulfate, cobalt carbonate, ethylenediamine dihydriodide (EDDI), organic vegetable oil, vitamin A supplement, vitamin D supplement, and vitamin E supplement, natural anise flavor

PRODUCT PAIRINGS

We recommend combining Redmond Goat Mineral with Redmond Conditioner to take your mineral program to the next level

- 2-3 parts mineral salts
- 1 part Conditioner

We also recommend offering your goats Redmond Goat Mineral Rock on a Rope

- Nourishing enrichment
- Curb destructive boredom behaviors
- Pure sea minerals, no fillers or byproducts

FREQUENTLY ASKED QUESTIONS

DOES REDMOND GOAT MINERAL HAVE DDGS?

Redmond products do not contain dried distiller grains with solubles (DDGS); they simply do not need it. Plus DDGS products require very careful moderation to ensure smaller animals do not eat too much.

CAN SHEEP EAT REDMOND GOAT MINERAL?

No, sheep should eat properly rationed 10 Fine, Selenium 90, or specially formulated Redmond Sheep Mineral to make sure their copper levels stay within healthy limits.

RECOMMENDED FEEDING RATES:

all goat species

25 oz (2 tsp) per head per day or free choice

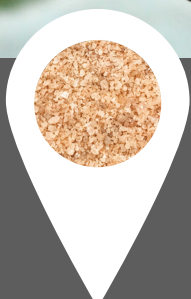

TESTIMONIALS

“

One of my goats wasn't feeling too well, but after switching to the Redmond's Goat Mineral, she's feeling great now!
-Fran

Our goats love this mineral. So much better than others we have tried.
-J.L.R.
