

We keep it simple

Redmond provides simple, back-to-basics products that can help your animals thrive—whether your approach is organic or conventional.

Nature has it right

Our unique balance of minerals comes directly from an ancient mineral sea bed—harvested in America and delivered to you exactly as nature intended.

Crafted By Farmers

Our company was started by farmers over 50 years ago in Central Utah, and we still use Redmond products on our farms today. We feel lucky to be able to share our products with you!

Nature Has It Right™

REDMOND AGRICULTURE
PRODUCT GUIDE

WHEN YOUR
ANIMALS
FEEL GOOD,
YOU
FEEL GOOD.

That's why our Redmond Agriculture Products are always natural and effective, so you can get back to what you love about your animals instead of worrying about their health.

REDMOND SOIL PROGRAM

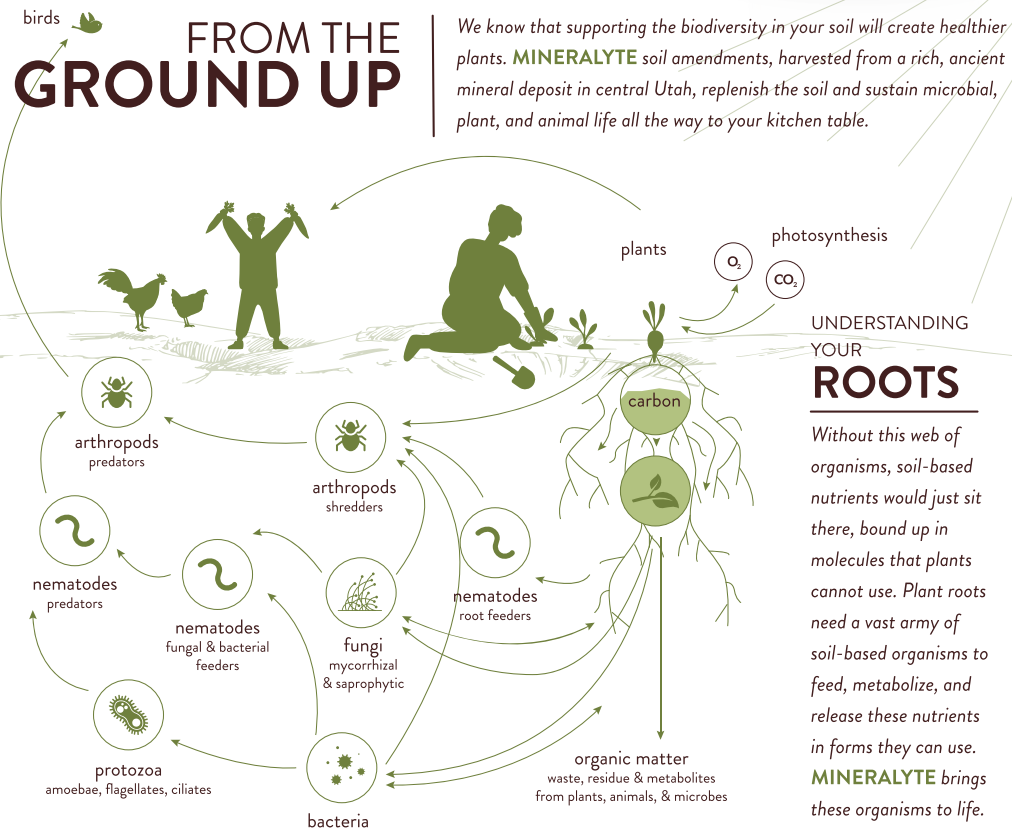

**Nourishing Your Soil Can Nourish The World.
That's Because Healthier Soils Lead To Healthier
Plants, Healthier Animals And Healthier Humans.**

Mineralyte Soil Foundation

(5 lb Bag)

Mineralyte Soil Foundation is a mineral-based amendment that naturally improves the fertility of your soil to grow healthier, more productive, and more nutrient dense plants. Sea minerals, CEC Silicates, and Humates help bring life back to your soil.

Individual: (PN#) 113323 (UPC) 758364113323

Fast, Thorough, And Convenient

Simple to use, delivers results in 6-8 days, & provides convenient access to your data on our easy to use dashboard

Have you wondered if your efforts to amend your soil are working, but don't know how to test your soil? You are not alone.

Redmond's Soil Test Kit, powered by MySoil, makes testing your soil simple and easy. This test successfully combines accurate soil testing technologies with an easy-to-use customer experience that assists in improving soil and plant health, while effortlessly guiding sustainable practices.

Our goal is to support users in perfecting their soil to grow the healthiest plants possible. This custom approach helps you know exactly what your soils need to thrive. No PhD required.

SAVES YOU MONEY

By honing in on exactly what your soil needs, Redmond's soil test kit saves you from making unnecessary purchases and helps you know how much to apply so you get more bang for your buck.

ELIMINATES GUESSWORK / PREVENTS MISAPPLICATION

Stop guessing and start growing! Testing allows you to make educated and informed decisions about how to help your soil. Soil health is a balancing act.

FAST, THOROUGH, AND CONVENIENT

Redmond's soil test kit is simple to use, delivers results in 6-8 days, and provides convenient access to your data on our easy to use dashboard.

HELPS YOU GROW HEALTHIER PLANTS

Healthy plants come from healthy soil. Whether your plants are for eating, looking at, or playing on...soil testing should be the first step.

FOR YOU

More Natural Products from Our Redmond family

Redmond Life makes products with a short list of natural ingredients. Their natural foods are delicious. Their personal care products really work. Redmond Life products are simple, clean, and real.

Real Salt

Real Salt is the only brand of unrefined sea salt mined in America, with a complete blend of minerals and an unique flavor that is perfect for every meal. Real Salt is unlike any salt on earth – once you try the Real Salt taste test, you'll understand why no other salt sells better in America's health food stores.

Re-Lyte

Electrolytes Redefined. A delicious blend of micronutrients to hydrate your cells and keep your muscles working their best. Redmond Re-Lyte® means clean, effective electrolyte replacement.

Redmond Clay

Redmond Life has been selling Redmond Clay in health food stores since the 1970's, but people have been using bentonite clay for thousands of years. Redmond Clay is a unique high desert bentonite, high in both calcium and sodium.

Earthpaste

You don't need artificial ingredients to create the perfect natural toothpaste. Redmond Earthpaste and Earthpowder are made from nature's perfect polisher to get you everything you expect from a toothpaste without any glycerin, fluoride, foaming agents, or artificial coloring. You won't believe how smooth your teeth will feel!

Organic Seasonings

Real Salt Organic Seasonings are packed with bold, delicious flavors and clean, organic ingredients that make every meal extra tasty.... and healthy! Made with unrefined Real Salt, organic spices, and no artificial flavors, colors, additives, or sugar, Real Salt Organic Seasonings are the most mouthwatering way to make your spice rack simple, clean, and real.
