**WE KEEP IT SIMPLE**  
Redmond provides simple, back-to-basics products that can help your animals thrive—whether your approach is organic or conventional.

**NATURE HAS IT RIGHT**  
Our unique balance of minerals comes directly from an ancient mineral sea bed—harvested in America and delivered to you exactly as nature intended.

**CRAFTED BY FARMERS**  
Our company was started by farmers over 50 years ago in Central Utah, and we still use Redmond products on our farms today. We feel lucky to be able to share our products with you!

**LIVESTOCK FEEDING DIRECTIONS**  
We like to provide Redmond 10 Fine Mineral Salt free choice. You can also mix with daily rations according to guidelines from your vet or nutritionist. Provide fresh, clean water.

**Warning**  
This product can expose you to chemicals including Silica Crystalline, which is known by the state of California to cause cancer, birth defects or other reproductive harm. For more information, go to <https://www.p65warnings.ca.gov>
